Comments

This message is in reference to PDN 24_0081 related to a bump plant closure at Amkor Technology Korea (ATK5). This closure includes the End of Life (EOL) of the 200mm (8 inch) Bump line impacting products you may be using. ADI does not obsolete parts that still have customer demand unless driven by exceptional circumstances and recognizes that customers value the reliability of long-term production assurance.

In this particular case, ADI is taking special measures to support customers with the following actions:

-ADI has initiated procuring additional inventory in die bank to minimize the impact to you as you assess your requirements. Submitting your orders promptly will assist ADI in securing an adequate supply of the necessary components to meet your needs.

Analog.com product pages have links to the PDN under each orderable part number and updates to display alternatives on product pages have been added. We apologize for any inconvenience this product discontinuance may cause and remain committed to minimize impact to you. Feel free to contact your ADI sales representative should you have any questions.
